Whippets in quarantine

From Darin Marx, Ojai, CA: "I was trying to get a shot of the Topatopa mountains without Whippets, but they would not cooperate*.
Tiger is well and his friend Lily is indefatigable."

Left is *Tiger* (litter 2007) after the exercise

**It was hard to find the Whippets, but I did! Here they are on the right.ee*

From Maia Cook, Carlsbad, CA: "The girls Danica and Lia are missing the San Diego club race practices, but we are doing well. We have been giving them a lot of extra walks"

"The girls are sleeping on a bed next to my tele-work set-up. They love being next to me when I work, and the feeling is mutual"

(Danica is litter 2017)

From Alix Holmes, Costa Mesa, CA: "We are doing well. Milo is enjoying his more frequent walks but misses his off-leash time at dog beach (or so I think)"
(Milo is from litter 2011)

From Marily and Bob Riffle, Gibsonville, NC:
"We have been going on a lot of walks. We also drive every day to add a little change for them. Vivaldi loves it; Mona not so much."

From Susan Kallal, Anacortes, WA:

"We are doing well. We take Lucca and Julia to work every day. I kept my office open; we are still seeing some patients who need immediate care. Lucca did just get a new bed, which matches him. He loves it!"

(Lucca is from litter 2005)

From Martin Jefferson, Salinas, CA:

"My family and I are doing well. Being in agriculture I am still working full time and then some. Laika is doing well but is becoming a senior dog.

Recently we kept ourselves busy by putting our backyard together. This has become a favorite project of my 5 year old son.

Here my son is raking some freshly rototilled ground to make it nicer for Laika"

(Laika is from litter 2008)

From Kim King, Franklin, TN:
"Big Bang and Lily hanging out"

Both from litter 2009

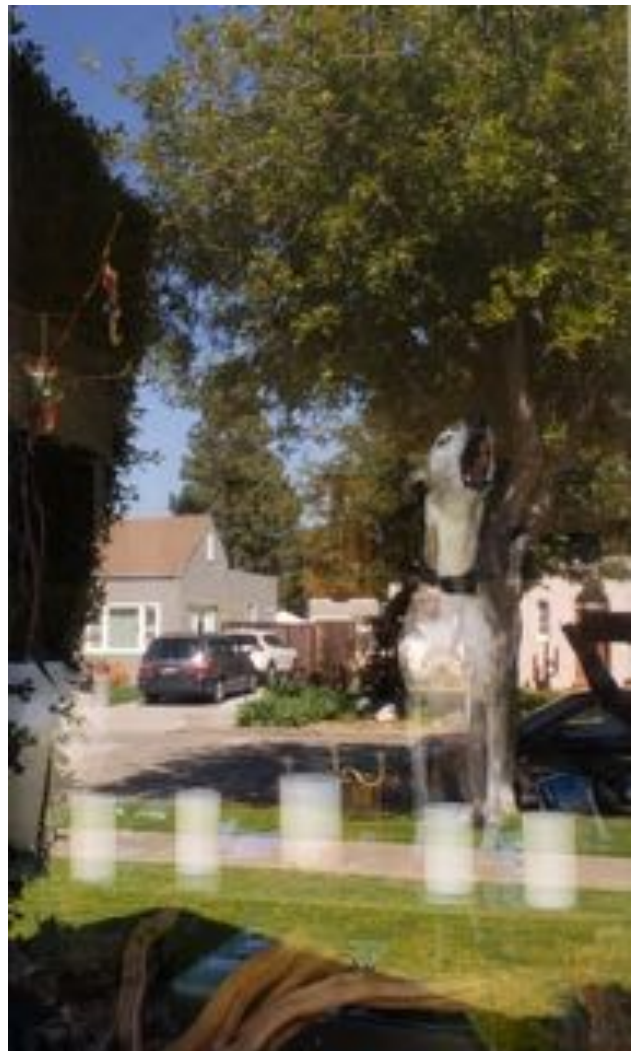

From Susan Siragusa, Sacramento, CA:
"Here is Renzo watching me sew masks! Patiently waiting for his walk. He understands priorities"

(Renzo is from litter 2017)

From Debra Stafford, Santa Ana, CA:
"Bob serenading to the neighborhood just like the Italians during Siena Lockdown"

Below: Joan reading to Bob and Juju.

(Bob and Juju are from the 2009 litter)

From Maureen Littell, Huntington NY:
"A recent beach outing with Shea and Brand."

I think the beaches closed soon after. ee

(Brand is from litter 2007)

From Paul Silva, Santa Clarita, CA:
"Can't wait for a safe beach season in CA!"
Happy/Rhonda is waiting too!

(Rhonda is from litter 2019).

Hopefully, this will soon be possible again!
